The Borana and other Oromo communities governed themselves in accordance with gadaa (literally "era"), a limited democratic socio-political system long before the 16th century, when major three party wars commenced between

them and the Christian kingdom to their north and Islamic sultanates to their east and south. The Oromo people particularly Borana Oromo used the Gadaa system as constitution of their government. Gadaa system conflict resolution mechanism has so many roles in terms of cost effectiveness, time and energy saving and long lasting or sustainable solution for conflicting parties.

UNESCO - Gada system, an indigenous democratic socio ...

In Garba Tula as elsewhere in Kenya, post-independence provincial administration guided by decisions made at central government with total disregard of traditional governance and resource management systems greatly undermined the traditional system. As a result, over the years natural resources were misused and degraded.

In Borana, the system of Gaada governs the rules of birth, marriage and other rites of passage. The system began with the creation of human beings according to Borana beliefs. The Gadamojji is a central figure in the tribe who is respected and be-

lieved to have special powers.

Inscribed in 2016 (11.-COM) on the Representative List of the Intangible Cultural Heritage of Humanity. Gada is a traditional system of governance used by the Oromo people in Ethiopia developed from knowledge gained by community experience over generations. The system regulates political, economic, social and religious activities of the community dealing with issues such as conflict resolution, reparation and protecting women's rights.
