YOSAGO - ZANDER PALMER

Appearance and taste: These mushrooms have an almost crunchy texture. Their arresting shape (long and fragile-looking) produces a showy garnish. Best uses: In stir-fries, to which they should be added at the last minute. Use raw in sandwiches and salads. Good to know: Trim stems 1/2 to 1 inch from the bottom before using the rest of the mushroom.

This here is a field guide worth its salt, especially for the beginning mushroomer. I took up mushrooming about six months ago, and this has been my bible during that time, largely because of the plates, which are abundant and of very high quality; it enables the user to triangulate between the mushroom found, a mushroom depicted in the plates, and the more subtle identifying features that are ...

Magic Mushroom Hunting: A Field Guide - Zamnesia Blog Identifying Edible and Poisonous Wild Mushrooms

In assessing this mushroom's field characters, ... Either way, there ought never be such a book as "The Dummy's Guide to Edible Wild Mushrooms," because identifying edible wild mushrooms and eating them is sort of like packing a parachute: any one mistake can be your last.

Hi from Lil Ol New Zealand. On lock down so now making ciabatta and mushrooms sauce from fresh picked field mushrooms, that I now know are safe. Thanks for the great video and pictures on how to ID edibles.
