In this Mapping Lab, students work in pairs to complete a series of geography challenges that spiral in difficulty. First they label a physical map and a political map of Monsoon Asia to learn about the region's physical and human geography. Then, to answer questions about the region, students simulate the use of geographic information systems (GIS) with thematic maps and transparency overlays.

1. Get your political map for Canada and the United States Mapping Lab, Challenge 2. 2. Select one of the states, provinces, or territories listed below. Find it on a political map of Canada and the United States in Geography Alive! Regions and People. 3. Label that place on your political map, and lightly shade it. 4.
