### 6RZPI7 - BRAIDEN GARRETT

---

A quick-study guide in a bulleted format helps students study the essential facts when preparing for the NCLEX-RN. Covers all of the clinical areas found on the NCLEX-RN including fundamentals, maternal-neonatal nursing, pediatric nursing, medical-surgical nursing, and psychiatric and mental health nursing. An introduction to the computerized adaptive testing format, a summary of the NCLEX-RN test plan, and tips for developing effective test-taking strategies are included. This easy and compact book is ideal for reviewing on the go. This edition includes 500 new bullets.

NCLEX-PN Q&A Plus! Made Incredibly Easy, 2E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. The book is divided into seven parts: basics of the NCLEX, medical-surgical nursing, psychiatric/mental health nursing, maternity nursing, pediatric nursing, coordinated care, and comprehensive tests. More than 4,000 questions throughout prompt active learning and higher-order thinking, align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan, and are written in the

style used on the licensing examination. Other features include the use of all alternate-format questions found on the licensing examination and detailed rationale for both correct and incorrect answers.

The New Quick Facts for NCLEX® 2019 - 2022 is for both RN & LPN nursing students ! The Five-Star Edition features the best content for Pharmacology, newly added Clinical Skills section, and case studies. Every nursing student needs Quick Facts! It's the perfect tool to build your core nursing content from day one of school all the way through beginning your NCLEX Prep. If you don't know Quick Facts you're not ready for NCLEX. Students love to call this their 'Nursing Bible' because they take it everywhere they go! Quick Facts is your starting place for NCLEX Prep and the foundation of the ReMar NCLEX Virtual Training System!

Master the critical-thinking and test-taking skills you need to excel on the prioritization, delegation, and management questions on the NCLEX-RN®. Three sections provide you with three great ways to study. In the first section, you'll find individual and multiple client care-focused scenario questions organized by disease process with rationales and test-taking hints. The second section

features seven clinical case scenarios with open-ended, NCLEX-style questions. The third section is a comprehensive, 100-question exam.

With NCLEX-PN Prep Plus 2018 you can study on-the-go. Log in from anywhere to watch video tutorials, review strategies, and take your online practice test. Proven Strategies. Realistic Practice. \* 9 critical thinking pathways to break down what exam questions are asking \* 6 end-of-chapter practice sets to help you put critical thinking principles into action \* 2 full-length practice tests to gauge your progress—one in the book, one online \* Detailed rationales for all answer choices, correct and incorrect \* Techniques for mastering the computer adaptive test format Expert Guidance \* In-depth content review, organized along the exam's "Client Needs" framework \* 60 minutes of video tutorials on the ins and outs of the NCLEX-PN \* Kaplan's Learning Engineers and expert psychometricians ensure our practice questions and study materials are true to the test. \* We invented test prep—Kaplan ([www.kaptest.com](http://www.kaptest.com)) has been helping students for almost 80 years. Our proven strategies have helped legions of students achieve their dreams.

Over 1,000 generic name drugs, encompassing over 4,000 trade name drugs, are organized alphabetically with A-to-Z tabs for quick and easy access. Detailed information for each drug distinguishes side effects and adverse reactions to help you identify which are most likely to occur. Highlighting of high-alert drugs helps promote safe administration of drugs that pose the greatest risk for patient harm; an appendix includes drug names that sound alike or look alike. UNIQUE! Herbal information is included

in the appendix and on the Evolve companion website, covering the interactions and effects of commonly encountered herbs. Classifications section features an overview of actions and uses for drug families. Top 100 Drugs list helps you easily identify the most frequently administered drugs. Nursing considerations are organized in a functional nursing process framework and include headings for baseline assessment, intervention/evaluation, and patient/family teaching. Information on lifespan and disorder-related dosage variations equips you with special considerations for pediatric, geriatric, hepatic, and immune- or renal-compromised patients. Extensive IV content features IV compatibilities/IV incompatibilities and breaks down key information with headings on reconstitution, rate of administration, and storage. Fixed combinations are included in dosages of each combined drug directly within the individual monographs, to help you understand different drug dose options for specific diseases. Cross-references to the 400 top U.S. brand-name drugs are located throughout the book for easy access. Customizable and printable monographs for 100 of the most commonly used drugs are located on Evolve, along with quarterly drug updates. Therapeutic and toxic blood level information promotes safe drug administration. Comprehensive IV Compatibility Chart foldout arms you with compatibility information for 65 intravenous drugs. List of newly approved drugs in the front of the book makes it easy to locate the latest drugs. Callouts in a sample drug monograph highlight key features to help you understand how to use the book more efficiently.

Ensure your students' success on the NCLEX-RN exam with Cengage Learning's COMPLETE REVIEW FOR NCLEX-RN , Second Edi-

tion. After completing a recognized nursing curriculum and meeting state requirements, your students are ready to tackle the National Council of State Boards of Nursing NCLEX-RN exam, and this review covers it all. Alternate item format questions prepare you for the interactive question types on the NCLEX exam. Test-taking strategies include helpful tips in preparing for the NCLEX-PN exam. Two comprehensive exams feature questions in all clinical areas giving you practice with an integrated exam, much like you will see on the NCLEX. Content organized by clinical area allows you to use the book as a study aid for all nursing exams throughout the curriculum. Rationales for both correct and incorrect answers explain the reasoning behind each answer option. Concise, student-friendly format summarizes essential nursing content in an easy-to-read outline format. The Evolve website provides practice questions broken down by specific content areas in both study and quiz/exam modes, giving you greater choices to customize your study sessions. NEW! More than 300 new questions bring the overall total to over 4,000 test questions. NEW! Updated content reflects the latest NCLEX-PN test plan. NEW! Critical Thinking Challenges provide case scenarios to equip you for real-life practice. NEW! Audio, video, and graphic option questions familiarize you with the new alternate item format question types on the NCLEX-PN exam.

Davis's Q&A Review for the NCLEX-RN® gives you an overview of

the latest test plan and outlines the test-taking strategies you need to prepare for the exam. Practice questions guide you through all of the content covered on the NCLEX, while two comprehensive exams test mastery of all subject areas covered on the NCLEX exam.

The National Council of State Boards of Nursing recently reported that 99,406 candidates sat for the NCLEX-RN (National Council Licensure Examination Registered Nurse), with a 73.7 percent pass rate. During that same time period, 35,558 candidates sat for the NCLEX-PN (for practical nurses), with a 77.5 percent pass rate. These tests are used by state boards to determine if a candidate is prepared for entry-level nursing practice. How can you ensure you score high enough on the exam to enter into your chosen profession? Reading *101 Ways to Score Higher on Your NCLEX* and employing the practices found within is one way to do so. In this new book, you will learn about and understand the computerized adaptive testing format, as well as the organization of the exam. You will learn how to read questions correctly, how to control anxiety, and how to approach each section. In addition, you will be presented with a list of resources to help you prepare and dozens of tips from insiders. *101 Ways to Score Higher on Your NCLEX* is filled with practice questions and reviews of the four most important topics, including safe, effective environments; health promotion and maintenance; psychosocial integrity; and physiological integrity. You will also find charts, graphs, illustrations, and tables to help you understand key concepts, as well as proven strategies, mindsets, and problem solving methods. It has been said that the NCLEX is a test of your critical judgment and manage-

ment skills more than anything. However, it is still important to prepare accordingly. Instead of panicking and worrying about the exam, pick up this book and be confident in your test-taking abilities. Whether you are taking the NCLEX-RN or the NCLEX-PN, you will learn valuable information and practical tips for passing the exam and improving your score. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

Take your understanding to a whole new level with Pageburst digital books on VitalSource! Easy-to-use, interactive features let you make highlights, share notes, run instant topic searches, and so much more. Best of all, with Pageburst, you get flexible online, offline, and mobile access to all your digital books. An essential resource for any nursing student, this invaluable guide gives you the tools you need to overcome text anxiety and develop effective study habits. Key topics include time management, critical thinking, and problem solving, with tips to help you tackle any nursing test — from a routine quiz to the NCLEX® examination. You'll learn how to confidently evaluate and identify the correct answer for a variety of test question types, including alternate

item formats, with chapters on the nursing process, prioritization methods, and safety strategies. The book and companion CD offer 500 practice questions to help you practice the skills you are learning and gain realistic test-taking experience. Coverage of detailed critical thinking methods offer valuable clues to help you analyze and uncover the correct answer option for all question types, including multiple-choice, true-or-false, and alternate item-format questions. Chapters on specific question content, such as prioritization, pharmacology, management, and delegation, provide numerous examples to prepare you for higher cognitive level questions. A fun, two-color design features cartoons and bold designs to help visual learners become better overall test-takers. Linda Silvestri's hallmark Pyramid Points in the margins highlight the most important concepts you need to learn for exam success. A companion CD includes 500 practice questions that allow you to apply the strategies learned from the text in a realistic electronic testing environment. Refocused content emphasizes comprehensive test preparation to help you develop, refine, and apply the reasoning skills you need to succeed throughout nursing school and on the NCLEX® examination. A new chapter on reducing test anxiety offers simple strategies you can use to control test-induced stress and gain the confidence you need to pass exams. A new chapter on developing a structured study plan provides helpful tips for improving time management for more efficient exam preparation.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The Ultimate NCLEX-RN® Exam Preparation Guide! New and updated, the Third Edition of the

best-selling Pearson Reviews & Rationales: Comprehensive Review for NCLEX-RN® offers a comprehensive outline review of the essential content areas tested on the NCLEX-RN® exam, including critical areas such as management, delegation, leadership, decision-making, pharmacology, and emergency care. These topics are incorporated throughout, with ample practice questions that simulate actual difficulty levels on the NCLEX-RN® exam. Organized by the Categories of Client Needs, each unit represents one of the Categories of Client Needs and contains chapters that integrate concepts from across the nursing curriculum, providing a uniquely synthesized approach to preparing for the real exam. The Third Edition provides students with access to Pearson Test Prep—a new web-based application that enables students to practice for the NCLEX anytime and anywhere using their smartphone, tablet, or computer. Pearson Test Prep includes all 1,600 questions from the book, plus an additional 4,000 questions, and features all NCLEX-style question formats. Students can customize their practice experience to focus on specific topics, question types, and areas of difficulty, or simulate a realistic NCLEX-RN® exam. Detailed reporting features help students identify and focus on improving the areas where they need the most attention so they arrive prepared and confident on test day. NOTE: Used books, rentals, and purchases made outside of Pearson. Each new book includes an access code valid for one redemption to Pearson Test Prep. If purchasing or renting from companies other than Pearson, the access codes for the Pearson Test Prep may not be included or may be previously redeemed. Check with the seller before completing your purchase.

This is the eBook version of the print title. The eBook edition does

not provide access to the test engine and practice test that accompanies the print book. “The book offers a quick ‘cram’ approach to the NCLEX that is very user-friendly and not time-intensive. The overall approach is very learner-centered and the content is well-paced.”—Catherine Dearman, R.N., Ph.D. Covers exactly what you need to know to score higher on your NCLEX-RN® exam 545 sample test questions help you gain confidence and decide when you’re ready to take the actual exam Includes the popular Cram Sheet tearcard to help you remember key concepts and do extra last-minute studying Exam Alerts identify important information found on the exam Simplifies key medication aide concepts and techniques for easy learning Covers the critical information you’ll need to know to score higher on your NCLEX-RN exam! Discover how the NCLEX-RN exam works, and how best to prepare for it Understand essential disease processes, treatments, and diagnostic studies Care for clients with respiratory, genitourinary, hematopoietic, gastrointestinal, musculoskeletal, endocrine, cardiovascular, neurological, and many other disorders Serve maternal, infant, and pediatric clients Provide compassionate and effective emergency and psychiatric care Consider cultural, religious, and legal concerns associated with client care Review all stages of the nursing process: assessment, diagnosis, planning, implementation, and evaluation Address client needs for a safe, effective-care environment; health promotion and maintenance; and psychosocial and physiological integrity

This new NCLEX-PN review book provides both a succinct Content Review and more Q&A than any other NCLEX-PN review book. Each chapter opens with a Content Refresher, providing an

overview of key information on each topic---it summarizes what is really important for NCLEX review. This is followed by high-quality Q&A, answers, and detailed Rationales, fully updated with the latest NCLEX-PN test plan. The book opens with a discussion of studying and test-taking strategies and describes the exam format in detail. Subsequent sections cover adult care, psychiatric care, maternal-neonatal care, care of the child, and coordinated care. The book also includes comprehensive examinations with answers, rationales, and client-needs information at the end of each answer. The new Graphic Option questions and Audio questions are also included. The online site provides 1,000 questions and answers in an interactive format that mirrors the NCLEX-PN exam. All the material is presented in the proven format of the Incredibly Easy series. Students will discover the stress-free way to study for NCLEX-PN. The format helps them actually enjoy learning, stay motivated, and improve their performance. Content, strategies, and Q&A---everything a student could want in an NCLEX review.
