The Secret Language of Destiny: A Complete Personology Guide to Finding Your Life Purpose Oct 20, 2003 by Gary Goldschneider , Joost Elffers

"The Secret Language of Destiny is one of three books written by Goldschneider that I really appreciate when it comes to Astrology - which I truly believe in. This one however is a little bit more deep and as such it is more Universal than most may not be quite the read for most people since destiny is different per person.

Description : Set in China in the late 1800's, The Secret Language of Women tells the story of star-crossed lovers, Zhou Bin Lian, a Eurasian healer, and Giacomo Scimenti, an Italian sailor, driven apart by the Boxer Rebellion. When Lian is seventeen years old, she accompanies her Swiss father, Dr. Gianluca Brasolin, fluent in Italian, to tend the Italian ambassador, at the Summer Palace of Empress Dowager, where she meets and falls in love with Giacomo.

The Secret Language of Destiny is an 800+ page, must-have resource for any metaphysical book-case. This work can also serve as a practical guide to help anyone gain greater understanding about themselves and to find effective ways to engage the world around them.
