Too Big to Jail: What Eric Holder told a Senate Committee ...

“Too Big to Jail is a superb and comprehensive book, backed up by impressive original research. What is most striking, and most valuable, is that it drives home how amazingly new and bizarre is the current field of prosecuting corporations.”

Too Big to Jail - Kindle edition by Garrett, Brandon L ...

too big to jail. While there have been critics of those developments on both sides of the aisle, some good proposals for legislation, concerns raised by judges, and saber-rattling statements from the Department of Justice, what we have not seen is a plan for action that fundamentally rethinks how financial offenses are handled.
