"I've always believed that students should learn their trade from the masters--but there are times when you can't just follow what's come before. Marc Ecko designed his future while putting his own spin on history. He's fearless, and he built his brand out of his love of art and pop culture, without being seduced by nostalgia.

When you unlabel, you can sell without selling out. You'll transcend gatekeepers (haters, critics) and go right to the goalkeepers (buyers) that actually matter. No matter your product or service, what you're really selling is you. Deal with it.
